MOMENTUM Revision Test Series (MRTS)	24

Since the time we began in 2004, we have constantly strived for excellence. Like for the many young minds we have shaped, it is the winning strategy that has been of essence. Which is possible only when one has the power to perceive the need of hour.

MOMENTUM has always been innovating to create excellence. We are sure that our programmes like Learner, Focus, Ambition & Perfection will be of great boon to students.

Learner is the course designed for 11th appearing students

Focus is the course designed for 12th appearing students

Ambition is the course designed for the students who have already passed 10+2 qualifying exam. We think the students will create a new history with the help of these courses.

Needless to say that our endeavour to nurture and even further enrich the quality of education will be our constant feature.

Wishing you the very Best.

Director

MOMENTUM

From the Director's Desk ...

About Momentum ...

MOMENTUM was created in July 2004 by the vision of three IITians, Er. Sanjeev Kumar (B.Tech., ISM-Dhanbad), Er. Vikas Agrawal (B.Tech., IT-BHU) and Er. Arvind Tripathi (B.Tech., IT-BHU).

It's genesis lies not in any coincidence but in an urge to set standards of excellence and perfection in the quest for a place in IITs. Its concept is to provide thinking based education in a different innovative and affable learning environment. MOMENTUM is here to redefine IIT-JEE/AIEEE/PMT education. Here at MOMENTUM, our methodology makes a students capable of creatively resolving complex and tricky problems by improving and sharpening their analytical skills and parallel thinking process.

Ever since it was born, MOMENTUM has been growing at a breathtaking pace. The institute has risen beyond all the expectations; as the volume and quality of results have proven the success of its mission. The expertise and methodologies of MOMENTUM have generated confidence among students, parents and general public due to which it's is considered to be the premier institution for IIT-JEE guidance in Eastern U.P.

Although at MOMENTUM we aim at IIT-JEE/AIEEE/AIIMS/CBSE-PMT but we prepare students. Comprehensively for all good Engineering and medical entrance exams including UPSEE/DCE (Delhi)/BVP (Pune)/BCECE (Bihar)/BHU-PMT/ AFMC/CPMT etc. too.

We are committed to create overall excellence in IIT-JEE/Engg. Entrance exams, XI/XII international Olympiads level etc.

Momentum believes in corporate functioning of the coaching institute therefore we have structured the entire institute's management in such a way that students get full support without any delay as and when needed. We have a distinct infrastructure so that our students get a very congenial environment. Infrastructure of the Momentum classes is the biggest and best of all the coaching institutes at Gorakhpur & eastern U.P.

All the locations are well equipped with basic amenities like

- Spacious class rooms with air conditioning
- Excellent whiteboards with echoless mike system
- Inverter/Generator support for all buildings.
- Aquaguard and water cooler system for hygienic drinking water
- Hygienic toilets and other facilities including first aid box.
- Separate doubt clearance room
- Proper lightening & ventilation
- Large and well lit notice boards
- Sufficient parking space with security arrangements.

Winner's Speak-2010

Anurag Pandey, IIT-AIR - 607 (Gen.)
(Foundation Batch)

मैं अनुराग पांडेय, AIR-607, अपनी सफलताओं को मेरे गुरुओं की मेरे काम की मदद कड़ी मेहनत तथा मेरे परिश्रमों के सहयोग का परिणाम मानता हूँ। मेरे मोमेंटम में 200 Years Classmate Programme का जोड़न किया था। इसका सबसे बड़ा अंश यह था कि बदलते हुए आदर्श और टी के पैटर्न में यदि आप सफल होना चाहते हैं, तो आपको IIT से तैयारी प्रारंभ कर देनी चाहिए। मोमेंटम से मुझे सबसे बड़ा सहयोग यह मिला कि उस पर मैजिकलाओं पर जोर दिया जाता है और वहीं का माहौल सही में है जिसका सहयोग सबको है।

Anuj Sureka, IIT-AIR - 736 (Gen.)
(Foundation Batch)

मैं अनज सुरेका IIT-JEE AIR 736, अपनी सफलता को तैयारी अपने परिश्रम और मोमेंटम के गुरुजनों को देता हूँ। मैं पर एड करके का माहौल बहुत अच्छा था। मुझे वहीं पर IIT-JEE पूर्ण करने के महत्वपूर्ण मंत्र दिए गए। टी के टीचर्स का सपोर्ट और आगे interaction बहुत ही अच्छा था। इन सब से मैंने बहुत कुछ सीखा और मोमेंटम का सहयोग अनमोल है।

IIT JEE AIR 736
Anuj

Sushant Singh, IIT-AIR - 955 (Gen.)
(12th Passed Batch)

I, Sushant Singh, IIT-AIR-955, would like to give the entire credit of my success to my parents, momentum teachers and my friends who continuously inspired to do well and achieve my goal. Momentum teachers really provided immense support and guidance and their teaching provided me the necessary guidance required to crack IIT JEE.

Sushant Singh
(SUSHANT SINGH)

My self Ankesh Singh. The key factor for success in IIT-JEE exam, remains to be cool temperament and accurate methodology besides one's personal effort in gaining knowledge. Momentum helped me to build these skills. The test papers are extremely good and at par with IIT-JEE papers.

Ankesh Singh
Ankesh Singh
IIT-AIR-140, 2009

When a plus two student aspire for best tuition to enter the prestigious IITs he chooses the best institution and all inputs from the faculty which I got at Momentum.

I suggest to all IIT/AIEEE/UPSEE aspirants to follow a planned study with best guidance at Momentum.

Devesh
Devesh Srivastava
IIT AIR-627, 2009

I am grateful to the almighty by whose grace I was able to make it to IIT. Besides my hard work and well wishes of my relatives & others, Momentum, gave me right direction which was necessary for this exam. If it was not Momentum, all the effort would have gone futile.

Himanshu Srivastava
Himanshu Srivastava
IIT AIR-864, AIEEE-368, UPSEE-88, 2009

I cracked IIT-JEE, 2008 with AIR-97. For this grand success I would like to thank to my parents & Momentum. I found that they can make anyone a star of the sky. Studying at Momentum was a very different experience from conventional study centres.

Thank you Momentum.

Utkarsh Lathe

Winner's Speak

The Value System :

Momentum value system revolves around truth, transparency & commitment. Whatever we think, we say & whatever we say we do.

The Quality :

We never compromise on quality which is evident in our teaching method, test conduction, revision programme, every where.

- ▣ **Study Material :** To supplement the teaching, we provide an exhaustive study material which contains 3 levels of objective problems.

1st level : Concept building

2nd level : Orientation towards IIT-JEE and other pre engg. tests

3rd level : Challenging problems in addition to the problems asked in IIT-JEE and other pre engg. tests.

An innovative feature of our teaching method is the class revision problem (CRP) sheets.

Before the lecture starts, a CRP sheet having 10 questions pertaining to the subject, is given to each student. These questions are to be solved by the students, which is followed by an immediate discussion in the class. Such dynamic preparation on daily basis empowers the student to thoroughly assimilate knowledge of every topic in each subject.

- ▣ **Adaptability to change in pattern of IIT-JEE :** Now a days change in pattern of IIT-JEE is very frequent. It changed in 2006 as well as in 2007. We changed our study material, teaching methodology acc. to new pattern which was unmatched by any other institute in India. It was a challenging task but we did it for the benefit of students.

Reason why students consider Momentum best

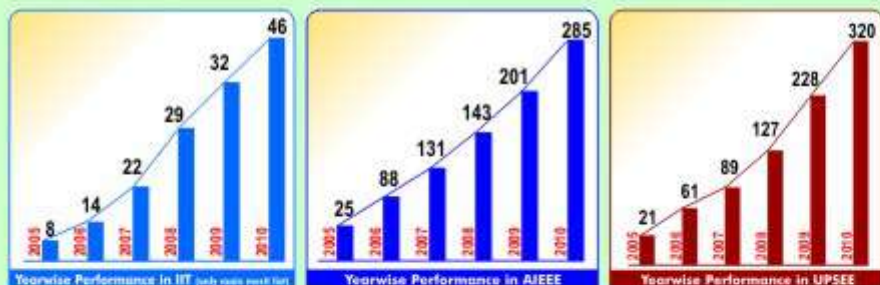

▣ **Tests and Discussions :** Regular tests are conducted.

These tests are designed on topics, which have been covered in last three weeks. All test papers are discussed on the same day. Test results are displayed on the notice board within two days of test. Answer sheets with individual suggestions are returned to each student within four days after test. After completion of whole syllabus, students are given 15 days break. Then revision session are conducted according to a well-structured plan with "in built" revision tests.

▣ **Individual Attentions :** The students are given individual attention and to remove their personal doubts, we keep doubt clearance session for each subject, 7 days a week.

Results :

When a student is preparing for a challenging exam like IIT-JEE, he/she wishes to prepare with the best institute. Students in eastern U.P. believe MOMENTUM is best for all the above & more so because of our consistent results. For the last 6 years since 2004 we are giving highest No. of selections at Gorakhpur.

**When your career is at stake,
can you afford not to study with the best.**

LEARNER

(XIth appearing students)

This course is specially designed and developed for students studying in class XIth aspiring for admission to IITs, other engineering colleges. This course synchronizes IIT-JEE preparation and school studies that will help in getting excellent results in Class XI exams with effective coaching for IIT-JEE.

While building up the foundation, this course simultaneously develops quick analytical thinking and systematic problem solving skills in students, which is essential to succeed in IIT-JEE. Now any student appearing in IIT-JEE can have only two attempts, one while appearing in XIth examination and other after completing the XIth. Earlier starting IIT-JEE preparation at XIth level was giving an edge but now it has become mandatory. If you desire, dare and dream to reach the top in IIT-JEE with excellent school performance, this course is just for you.

- Students enrolling in this program will have an integrated study plan.
- The studies for both Boards as well as IIT-JEE will be covered by Momentum.
- Students will be provided with comprehensive study material by Momentum.

We make you learn

FOCUS

(XIth appearing students)

This course has been developed with a holistic approach to both the board studies as well as IIT-JEE preparation. This course will prepare students well for not only IIT-JEE but for Board exams also. This approach will ease out the pressure of lack of time for the student, unlocking lots of time required for self-studies. We also cover the syllabus which is not in competitive examinations but part of Board examinations. With personal attention on each student from best faculties, this course builds solid foundation of fundamentals, the logical problem solving approach, the competence and the winning attitude so essential to succeed in IIT-JEE. This course is meant for you, if you are intelligent, hard working and ambitious student with burning desire to get into IITs without loss of a year.

Admission to this course is through a test. Students are checked for the ability to handle the pressure of rigorous study involved in this course through this test.

- A study program with a synergistic approach to both the Board studies as well as IIT-JEE preparation
- A program for both Boards as well as IIT-JEE preparation-that will compliment each other.
- A program that will prepare students extremely well for not only IIT-JEE and board exams but for all other engineering entrance exams, Olympiads etc.
- A program that eliminates the opposite pressure forces on the student.
- Students will be provided with comprehensive study material by Momentum.

Target your goal

Get an extra momentum

AMBITION (XIth passed IIT-JEE/AIEEE aspirants)

This course is designed and developed for XIth passed students who aspire for IITs and other engineering colleges. This course provides you long sustained practice with the widest possible cover age of theory and problems in a highly competitive environment. This is an intensive

classroom coaching program spread over a year. This course help in understanding the fundamentals and develops logical and methodical approach to problem solving and offers the right mental state that you need in IIT-JEE to face them with supreme state of competence and confidence. We understand the importance of your one-year. If you are very dedicated and hard working with just one dream "success in IIT-JEE/AIEEE" this course is just for you.

- A study program that will ease out the pressure of time for the student, unlocking lots of new methods of study giving enough time for self studies.
- Will make strong understanding of fundamentals - one major requirement to clear IIT-JEE & other Engineering Entrance Exams.
- There are separate batches for IIT-JEE and AIEEE / UPSEE.
- Students will be provided with comprehensive study material by Momentum.

PERFECTION

(Test and Discussion)

This course is designed for XIth studying and XIth passed students who have a burning desire to succeed in IIT-JEE, but couldn't avail the opportunity to join our regular courses. Under this course, a set of part tests and full tests are designed strictly according to the syllabus and pattern of IIT-JEE/AIEEE. Part tests are conducted at regular intervals till the end of January. Full tests are conducted during February to April. The tests are conducted under proper examination environment. After each test, test paper s are discussed, and papers are subsequently returned to each student with individual suggestions. If you are worried about your level of preparation and want to know where your preparation stands, this course is just suited for you.

Sky is the limit

Scholarship

- ◆ 10% scholarship to students securing more than 80% in U.P. Board and 85% in CBSE or ICSE Board qualifying exams.
- ◆ 15% scholarship to students securing more than 85% in U.P. Board and 90% in CBSE or ICSE Board qualifying exams.
- ◆ 10% to students having a rank upto 5000 in AIEEE and 3000 in UP SEAT.

Rewards for Performance in IIT-JEE/AIEEE 2011

AIR in IIT-JEE	AIR in AIEEE	Rewards
1	1	Rs. 2,00,000

201-500	201-300	Rs. 15,000
501-1000	301-500	Rs. 10,000
1001 and above*	501-1000*	Rs. 5,000

*Not applicable for students of Ambition/Focus courses.

Scholarship to Bright Students

Why a Revision Test Series?

Any preparation requires proper revision and continuous assessment to give finishing touch to your concepts before going for final challenge. More so, for IIT-JEE, the toughest entrance examination in the world at undergraduate level. Learning and assessment are two important aspects of revision. While learning may be acquired independently by the students from class notes and other preparation material used during his/her year long study. But for assessment one needs a good revision test series.

MRTS will give you the perfect assessment of your preparation and revision. It consists of 11 tests which will be conducted in real examination like environment.

Course Name - Perfection • **Program date** - February to April

Test Structure :

S.No.	Test Type	Test Code	No. of Tests
1.	Part Test	PT	4
2.	Full Test	FT	3
3.	AIEEE Approach Test	AT	2
4.	UPSEE Approach Test	UT	1
5.	BITSAT Preparatory Test	BITSAT	2
TOTAL			12

- 1. Part Test (IPT & APT)** : IIT-JEE/AIEEE Syllabus is divided into four parts. Part tests will be conducted for each part separately. These tests will be strictly according to new IIT-JEE/AIEEE pattern.
- 2. Full Test (IFT & AFT)** : Full test will be conducted after completion of all part tests which will cover complete IIT-JEE/AIEEE syllabus. These tests will help you assess yourself complete revision.
- 3. AIEEE Approach Test (AT)** : As number of attempts to appear in IIT-JEE has been limited to maximum two, students will have to take other entrance examination very seriously. AIEEE revision tests will cover entire syllabus of AIEEE and will be strictly according to AIEEE pattern. These tests will be conducted between IIT-JEE and AIEEE.
- 4. UPSEE Approach Test (UT)** : For students of UP state, UPSEE is of large importance due to its confinement within the state. Under this exam there are some good college like HBTI Kanpur. UTs will be conducted according to UPSEE pattern which will cover entire syllabus of UPSEE.
- 5. BITSAT Preparatory Test** : BITSAT is a good option for the students of 12th studying, so for its preparation online tests are conducted.

Registration & Fee Structure :

Students may get registered by paying Rs. 100/- as Registration Fee & Rs. 3000/- as total Course Fee along with their 10+2 marksheet & 2 passport size photographs.

Salient Features :

- Covers all three main examination of engineering (IIT-JEE, AIEEE, UP-SEE).
- All 12 Tests will be sit down Tests in real examination like environment.
- Excellent combination of part tests, Full tests, AIEEE Revision tests, UPSEE Revision tests to perfect your preparations.
- Cut-off marks and expected All India Rank to each students after each test results.
- Nominal fee structure.
- Rewards to performers in IIT-JEE 2011.
- Special fee benefits in next year classroom programs (If you need it).
